AMENITY CENTER

Check Out What Else Is At Bridgewater On The Back...

The character of Bridgewater is defined by the lifestyle-enhancing features which are included within. At the center of this amazing community is a 5,000-square foot clubhouse where inside, residents will find a 2,000 square foot main room featuring a catering-style kitchen which is perfect for private parties or social gatherings. Several overhead garage-style doors with full glass exposure will help open the clubhouse to the outdoors for a unique event or breath of fresh air. A state-of-the-art fitness center is located within the clubhouse, and the yoga/aerobics room which offers you the opportunity to take a virtual fitness class through the Wellbeats™ system is located at the Outdoor Cooking Pavilion. A refreshing resort style pool with lap lanes and lounging space is surrounded with deck chairs and private cabanas. All around the space outside the clubhouse, you'll find the Founder's Green with festoon lighting which can be the stage for outdoor movies, music or other forms of entertainment. There's also pickleball courts and a bocce court, a friendly fire pit, a kayak launch and an enormous outdoor cookout area at the covered pavilion featuring outdoor grills and televisions for everyone to enjoy! Our Veteran's Memorial is a beautiful location to honor Bridgewater residents and others who have served in our country's military. While there will be defined areas for specific activities, there is plenty of open space within Bridgewater for private exploration for each and every resident.
